

AYSO Soccer Camps are coming to Quartz Hill AYSO Region 638

AYSO Community Day Camps create an environment that is fun and conducive to learning for all ages and levels of ability, and does it on the fields the kids already know and love.

With solid grounding in AYSO's philosophies and coaching programs, AYSO Soccer Camps work with kids on skills and activities appropriate to their age and skill level.

AYSO Soccer Camps are conducted by the best nationally and internationally qualified coaches recruited and trained by UK International Soccer Camps.

UK International is the only organization whose coaches, primarily from Great Britain, are AYSO Safe Haven Certified, and trained in AYSO philosophies. Coaches are selected not only for their knowledge and their coaching ability, but also for their commitment to creating a fun, positive learning environment for the players. The result is a soccer camp experience players will remember for a lifetime.

The AYSO Soccer Camp curriculum has been developed by AYSO in conjunction with some of the highest-level camp trainers in the country, and is reviewed and approved by AYSO National Coach John Ouellette.

All camp sessions are based on individual attention to ball skills, as well as fun games to put those skills into practice and develop teamwork. Players are encouraged to express themselves in order to develop confidence and individual creativity on the field.
