

AYSO Quartz Hill Shootout Referee Plan

The following are guidelines that the AYSO Quartz Hill Shootout will apply for referees in our tournament:

Commitment Requirements	<ul style="list-style-type: none"> A. Each team participating in the tournament must provide at least 1 crew consisting of 3 qualified referees. B. The Referee Information Form must be completed, approved by the Region Referee Administrator (and Area Referee Administrator in the case of referees for U-16/U-19 games), and returned with the Team Application. C. Each referee team will be asked to officiate a minimum of 4 matches during the tournament. These may be game assignments or standby assignments, which will be considered equal in terms of earning the referee deposit refund. D. If all assignments are completed, the entire referee deposit of \$300 will be refunded within 14 days of the completion of the tournament. If only partial assignments are completed, then a partial refund will be provided equal to the portion of assignments completed. E. The deposit refund check will be returned to the address shown on the Team Application form. F. Remember: the quality of officiating is largely dependent upon the experience and abilities of the referees you provide. G. If a team submits less than a full 3-person referee crew, these referees will be assigned to games, however only a portion of the referee deposit equal to the number of assignments these referees complete will be refunded to the team. H. Should a team's referees fail to appear for their assigned game and no replacement referees can be found, then the entire team's referee deposit may be forfeited regardless of how many other assignments the referee crew may have completed.
